- 9. New Business:**
  - a. Open Discussion: Celebrating AG Day is Sept. 26<sup>th</sup> and discussion ensued as to what everyone will be contributing. A vote was taken to allow J. Pillo to spend whatever needs to be for posters as we will use them later at Roseland Lake. C. Adams made motion, L. Wesler seconded, all in favor. J. Pillo informed us of discussions she had with Town of Putnam re. watershed information, told the commission of the ribbon cutting ceremony at Roseland Park on Sept. 12<sup>th</sup> with entertainment and the fact that they are still looking for fund-raising ideas for the future. Pillo attended an event at the Arboretum and discovered that the rain garden that was created is unfortunately not doing well which is disappointing as much work was put into this project. G. Jacobson gave a review of the CFPA event she attended and felt it was a very worthwhile endeavor as the commission is trying very hard to further our mission to help the Town with improving and maintaining our forest lands.
